Convert to a Gas Fireplace
Convert to a Pellet Stove
Convert to a Wood Burning Stove Insert (What I did)
So why did I opt for option #5? Several reasons, and I will discuss them all below.. I know there are many energy efficient fireplaces that may not have the same problems.. You won't stand there for long So what can you do?
Do Nothing: Leave it as is and enjoy the fireplace while losing copious amounts of heat.

Replacing a Traditional Fireplace with a High Efficiency Wood Stove Insert (My Home)
Posted on October 11, 2010 by moonworks
As I look out the window at the leaves falling, I can only think of one thing, the cold weather is on its way.. To sum it up, I felt a Wood Burning Stove Insert had the most positives out of all of my options (and I thought about this for a solid year). [Word For Mac 16 Recover Unsaved](#)
